

September 2018 - School Supplies - Junior

St. Dominic Elementary School

In accordance with Board policy the school will provide all the necessary instructional supplies for the children. In the report card envelope, we provide a list of **suggested items** the students might wish to bring to school with them in September, if they wish their own personal items.

We supply the lists now so that you can take advantage of back to school specials in August. With this in mind, the purchase of extra items to be used as Christmas gifts, for January restocking, might be an idea.
